List of games for Windows – Live titles

This is a sorted by release date and name **list of games for Windows – Live titles**. Xbox 360 (including released and former) video games under Microsoft's Games for Windows – Live platform, which include online gaming features. Two extension issues fix all listed games on Windows and subcomponents. With the closure of the Games for Windows Marketplace, none of these games are available for purchase on demand from that store anymore, but the client software and the servers are still available.[1]
